

1 Google Lynne Joyner Fitness and click the pink button: 'To Book Chew Valley Classes'

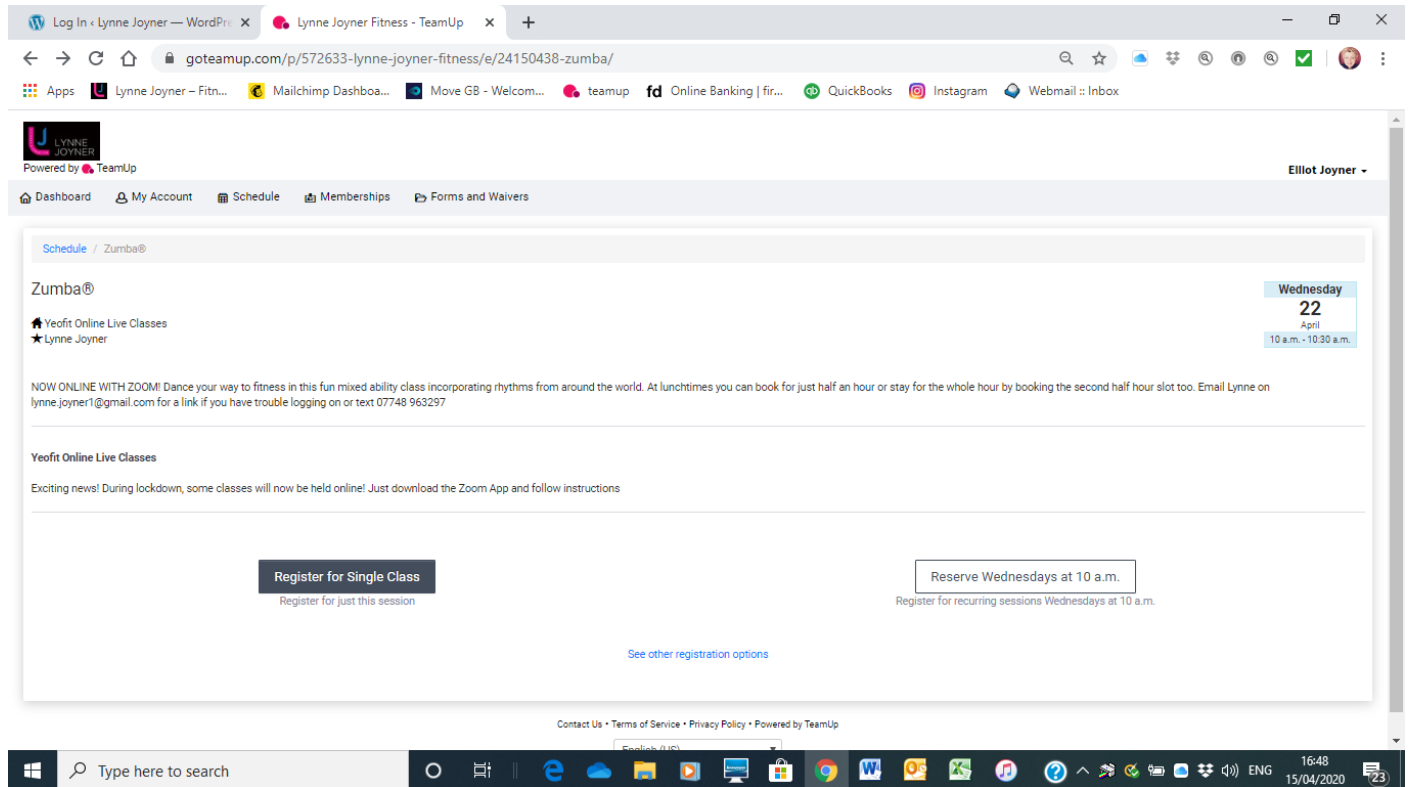

If you do all this on your smart phone you will be given the option to download it to your home screen and it will act like an app making it even easier!

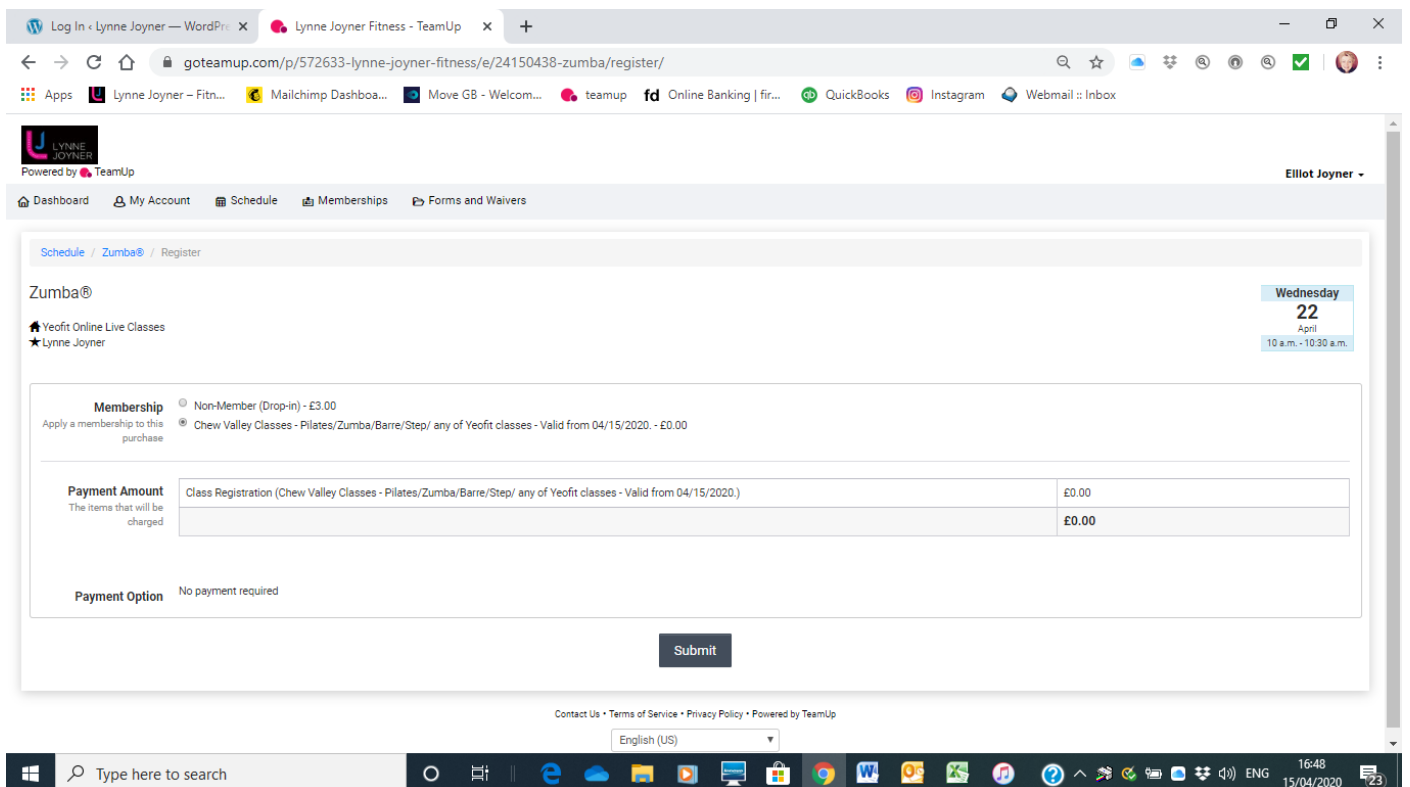

2. You will get the calendar showing the classes – be sure to click the week commencing 20<sup>th</sup> April and in the drop down box – all venues. Click the class you want and you should be guided through the payment options unless you already have a membership. The site is secure.

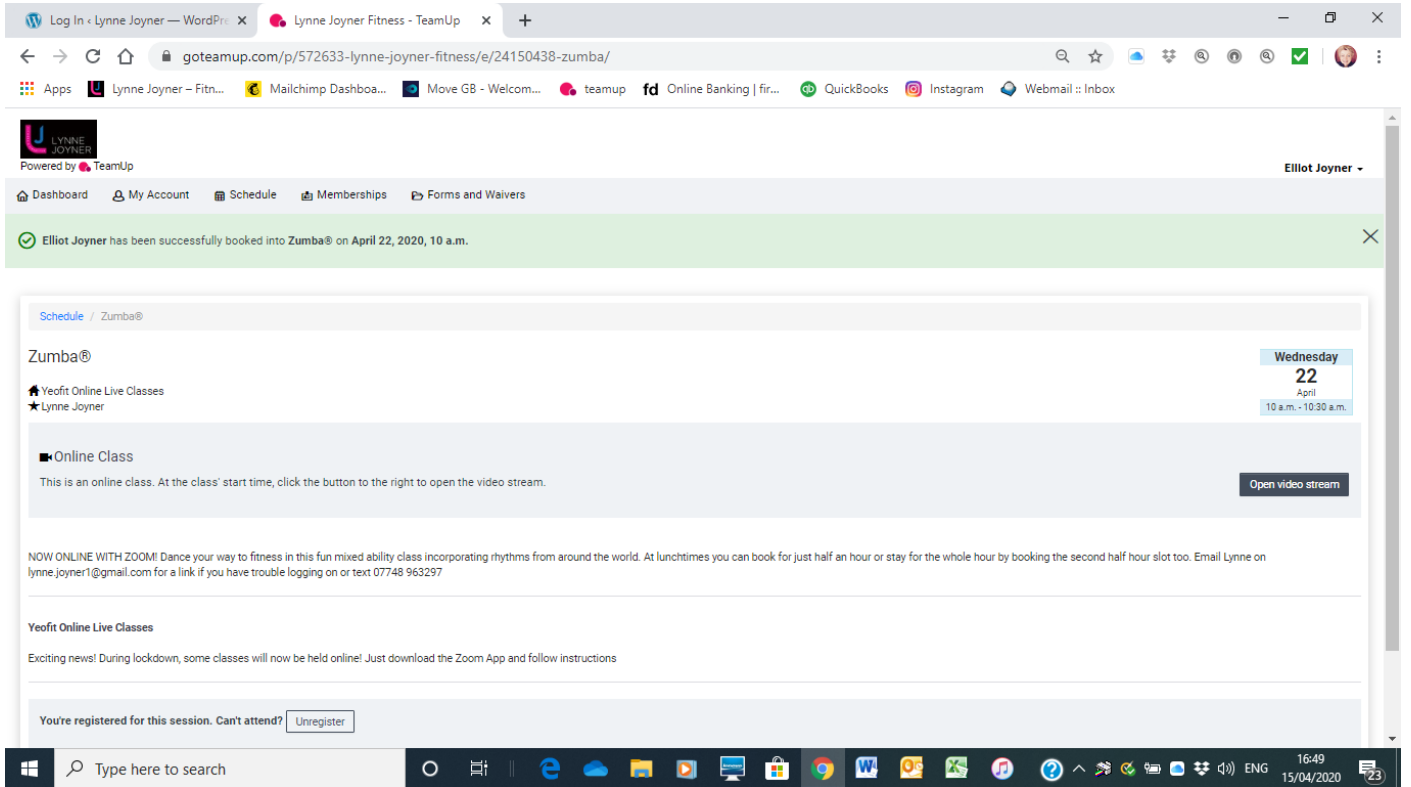

You can book 1 class at a time or if you know you want to do the same class then you can choose 'Reserve Wednesdays' or whatever day you are looking at. You can press 'see other registration options' to confirm whether you are using your membership or paying as you go.

This shows you can choose how you register – in this case the Chew Valley classes membership was chosen. This will vary depending on which membership you have or if you just want to pay as you go as a non-member drop in

Class confirmed – the system will send a zoom link by email shortly before the class starts

If you have any issues please ask me and if worse comes to the worst then I will go back to using just the zoom link!
