

- ♥ Paying monthly is the cheapest option, it is good for motivation and saves re-booking.
- ♥ Paying monthly considerably reduces admin time and helps you stay committed to your fitness.
- ♥ The payments are worked out as follows: There are usually 39 academic weeks in a school year. The monthly payments are based on 3 terms of 12 weeks in an academic year that amount to 36 weeks (compare to the calendar year of 52 weeks) Half terms and school holidays at Christmas, Easter and in the Summer, are not Included in this membership
- ♥ The prices of the classes have generally been increased by £1 per session are spread over the whole year, divided by 12 and paid online via the website www.lynnejoynerfitness.co.uk
- ♥ ***You can cancel at any time but ideally, I would ask you to sign up for at least a year to take into consideration all the holidays that are built into the price***
